Combined Heat and Power (CHP) En Banc Hearing

Agenda and Topics for Discussion
May 5, 2014
Drexel University, AJ Picture Gallery
3141 Chestnut St., Philadelphia, PA 19104

Overview and Purpose: what policies will make Combined Heat and Power technologies more accessible to interested parties while balancing the needs and interests of all stakeholders? The objective of the hearing is to discuss CHP economics, social costs and benefits, and regulatory policies that impact CHP adoption. Panelists will share success stories, recommend regulatory changes, and explore current issues related to the feasibility of greater CHP adoption in Pennsylvania.
