On Bill Repayment

Sustainable Energy *live it today | live it tomorrow | just live it*

Current Incentive Programs

- Requires cash out of pocket.
- Recovers incentive & program costs from all ratepayers.
- Favors low capital costs/short payback.

Features

- No out of pocket
- Recapture costs from participants
- Lower overall utility bill
- Align with EGS EDI interactions
- Cover EDC/LDC costs

Pilot Program

- Small Commercial & Industrial
- Loans up to $25,000
- $2 Million Capital
- Target 120 Loans
- Manual Billing
