PREHEARING MEMO OF
EXELON GENERATION COMPANY, LLC
AND EXELON ENERGY COMPANY

Before the Pennsylvania Public Utility Commission ("Commission"), pursuant to 52 Pa. Code § 5.222, Exelon Generation Company, LLC and Exelon Energy Company (collectively, "ExGen") by their undersigned counsel, hereby respectfully submit this Prehearing Memorandum:

I. INTRODUCTION

On November 17, 2011, Metropolitan Edison Company ("Met-Ed"), Pennsylvania Electric Company ("Penelec"), Pennsylvania Power Company ("Penn Power"), and West Penn Power Company ("West Penn") (collectively, "Joint Applicants") filed a Joint Petition for Approval of their Default Service Implementation Plans ("Plans" or "DSPs") pursuant to Section 2807{e) of the Public Utility Code.

II. IDENTIFICATION OF ISSUES

ExGen is at this time still formulating its position on the issues presented by the Plans. Based on a preliminary review of the Plans, ExGen expects that potential issues in this proceeding will include but not be limited to: (i) the manner in which the Joint Applicants are proposing to conduct default service procurements for various customer classes under the Plans,

including but not limited to the association and RFP rules; (ii) the product structure for commercial customers; (iii) the manner in which the Plans hinder or support the development of retail competition in the Joint Applicant's service territories, while preserving benefits from well-developed default service offerings for customers; (iv) whether the Plans are consistent with Act 129, the Commission's recent orders regarding the retail markets, and in particular the recommendations included in the Commission's orders and work plan in Docket No. I-2011-2237952 and other applicable rules; and (v) billing and other operational and data issues and their impact on electric generation suppliers.

ExGen reserves the right to address other issues as it deems appropriate. With respect to the Administrative Law Judge's issues list, ExGen responds as follows:

(a) Whether the four dockets should be consolidated into one case.

ExGen supports consolidation of the four dockets into one case.

(b) The possibility for settlement of the proceeding, subject to the Commission's approval.

ExGen is amenable to discussing settlement with the parties to this proceeding.

(c) Whether the matter should be decided upon legal briefs, or whether a hearing is necessary.

ExGen does not take a position with respect to this issue.

(d) If a hearing is required, a procedural schedule will be discussed including the amount of hearing time necessary to dispose of the proceeding.

ExGen supports the schedule filed by the Joint Applicants' with their Plans, to the extent hearings are required, including their proposed schedule for Oral Rejoinder and Hearings.

(e) Arrangements for the submission of direct testimony of witnesses in writing in advance of the hearing to the extent practicable, and for the submission in advance of hearing of written requests for information which a party contemplates asking another party to present at hearing.

ExGen supports the schedule filed by the Joint Applicants' with their Plans, including their proposed schedule for providing written Direct, Rebuttal, and Surrebuttal Testimony in advance of Hearings.

(f) Other matters that may aid in expediting the orderly conduct and disposition of the proceeding and the furtherance of justice, including, but not limited to the following:

(i) The exchange and acceptance of exhibits proposed to be offered into evidence.

ExGen does not take a position with respect to this issue.

(ii) The obtaining of admissions as to, or stipulations of, facts not remaining in dispute, or the authenticity of documents which might properly shorten the hearing.

ExGen is amenable to discussions to stipulate undisputed facts into the record of this proceeding.

(iii) The limitation of the number of witnesses.

ExGen does not take a position with respect to this issue.

(iv) The discovery or production of data or other material.

ExGen notes only that parties should develop and enter into an appropriate form of protective order prior to the discovery or production of data or other materials.

III. WITNESSES

ExGen reserves the right to present in this proceeding direct, rebuttal, and surrebuttal fact and expert testimony. Once discovery has begun and the positions of all parties to this

proceeding have been made known, ExGen will notify the Administrative Law Judge and all parties of the identities of any witnesses it intends to call.

IV. CONCLUSION

WHEREFORE, Exelon Generation Company, LLC and Exelon Energy Company respectfully request that their Prehearing Memorandum be entered into the record of this proceeding.

Dated: December 20, 2011

Respectfully submitted,

EXELON GENERATION COMPANY, LLC AND
