

PASSENGER CARRIER TERRITORY EXAMPLES AND EXPLANATIONS:

The Public Utility Commission is specifically concerned with the location in which trips by your company will ORIGINATE. Your requested territory must have boundaries and is typically requested by County / Counties.

Take care in choosing the correct language. You must file a new application and pay an additional fee to amend any approved territory.

Examples below:

- 1) To transport persons, by motor vehicle, in Paratransit service, from points in (County name/names here), to points in Pennsylvania, and return.

This territory means that you are not limited on a vehicle type, not limited to the type of activity regarding non-emergency medical transportation, or transportation for virtually any reason. This language would give your company the broadest customer base to work from.

- 2) To transport persons, by motor vehicles, in Paratransit service, in wheelchair vans, between points in (County name/names here).

This territory means that you must:

- a) provide all services in wheelchair vans, and
- b) could travel only between points within the county or counties requested as your territory. You could not leave those counties and return.

- 3) To transport persons, by motor vehicle, in Paratransit service, limited to persons whose personal convictions prevent them from owning or operating motor vehicles, from points in (County name/names here), to points in Pennsylvania, and return.

This language is strictly for companies that specialize in transporting Amish people, this is NOT to be used for persons who are elderly and cannot drive, or who do not have a vehicle for any other reason.
