**Working Group Scope and Expectations:**

- This is an informal working group.
- This working group will be limited to the topic of EV charging rates/tariffs
- Any comments regarding EV charging rates/tariffs should recognize the need to separately address sectors for residential, C&I, and third-party public charging
- Comments should be submitted as documents such that they can be posted to the Commission's newly updated EV website <https://www.puc.pa.gov/electricity/electric-vehicles/>, which includes information about this working group
- Any and all comments should be directed to staff
  - TUS - Joe Sherrick [josherrick@pa.gov](mailto:josherrick@pa.gov) and Regi Sam [rsam@pa.gov](mailto:rsam@pa.gov)
  - Law Bureau – Joe Cardinale [jcardinale@pa.gov](mailto:jcardinale@pa.gov) and Tiffany Tran [tiftran@pa.gov](mailto:tiftran@pa.gov)
- It has not yet been decided if there will be subsequent working group meetings or in what format those may be (virtual, in person, or simply seeking comments to specific questions)
