**Re: Pennsylvania Public Utility Commission v. Duquesne Light Company, Docket Nos.
R-2018-3000124 and C-2018-3001152**

DUQUESNE INDUSTRIAL INTERVENORS WITNESS LIST

Dear Administrative Law Judge Dunderdale:

Per the Prehearing Order entered May 8, 2018 in the above-docketed proceeding, Duquesne Industrial Intervenors (“DII”) provides its witness list at least two (2) weeks prior to the due date for Direct Testimony. In accordance with that directive, DII provides its list of witnesses and their subject areas of testimony, as follows:

Name	Company	Topic
James Crist	Lumen Group, Inc.	Cost of service, rate of return, rate design, revenue allocation, Rider 16, and other matters
Rodney Dobish	Duquesne University	Impact of proposed changes to Rider 16 on Duquesne University’s Energy Center; general impact of proposed rate increase on the University
Richard Heller	University of Pittsburgh	Impact of proposed changes to Rider 16 on the University of Pittsburgh’s planned development of onsite generation; general impact of proposed rate increase on the University
Mike Adams	Allegheny County Airport Authority	Impact of proposed changes to Rider 16 on the Allegheny County Airport Authority’s planned development of onsite generation; general impact of proposed rate increase on the Authority

Honorable Katrina L. Dunderdale

DII is still developing its Direct Testimony. During that process, DII may determine that a different witness from the member organizations can better address the relevant issues. As a result, DII respectfully requests to reserve the right to substitute witnesses if issues arise during this preparation that are better addressed by an alternate witness.

Thank you for your attention to this matter. If you require any additional information, please let me know.

Sincerely,

McNEES WALLACE & NURICK LLC
