PUBLIC STATEMENT OF THE  
OFFICE OF CONSUMER ADVOCATE  
PURSUANT TO 71 P.S. SECTION 309-4(e)

Act 161 of the Pennsylvania General Assembly, 71 P.S. § 309-2, as enacted July 9, 1976, authorizes the Consumer Advocate to represent the interests of consumers before the Pennsylvania Public Utility Commission (PUC or Commission). In accordance with Act 161, and for the following reasons, the Consumer Advocate determined to file an Answer and Intervention in proceedings before the Commission involving the proposed filing by UGI Utilities, Inc. – Electric Division (UGI or Company).

On August 21, 2018, UGI Utilities, Inc. – Electric Division (UGI Electric or Company) filed its voluntary Petition for Approval of Phase III of its Energy Efficiency and Conservation Plan for the period of June 1, 2019, through May 31, 2024 (Phase III EE&C Plan). The Plan includes a portfolio of energy efficiency and conservation programs, including a variety of energy efficiency, peak load reduction, and energy education initiatives, to meet the goal of encouraging energy efficiency and energy consumption reduction.

The Consumer Advocate determined to intervene in this proceeding to protect the interests of UGI’s customers and to ensure that any increase in rates resulting from the adoption of the proposed programs and any related expenses are just and reasonable. The OCA will work with the parties to ensure that the programs offered meet the needs of residential customers while providing energy and conservation benefits on a system-wide basis.
