RE: M-2016-2530484 CHP Biennial Report

Dear Secretary Chiavetta:

In regard to the CHP reporting requirements, I have included a digital copy of the CHP Biennial Report on the enclosed CD.

Unfortunately, the CHP owner was uncooperative in forwarding the necessary information. We had made numerous e-mail and telephonic requests for the information and was hopeful that they would have provided the information requested.

The data sheets have been completed with the information known to Valley Energy as of the submittal date. We will continue to pursue the owner in providing what information they can share and will forward this to TUS when it does become available.

If you have any questions on this submission, I can be contacted at (507) 888-9664.

Sincerely,

Edward E. Rogers
