Re: PECO Energy Company's 2019-2028 Universal Service and Energy Conservation Plan, Docket No. M-2018-3005795

Dear Secretary Chiavetta:

In accordance with a request from the Commission's Bureau of Consumer Services, PECO Energy Company ("PECO" or the Company) is hereby providing an informational letter listing its CAP Maximum Credit amounts. Per the Commission-approved Universal Service and Energy Conservation Plan ("USECP"), if PECO is granted an electric base rate increase, Annual CAP Maximum Credit amounts for Electric Heating and Electric Non-Heating customers are increased by a percentage equal to the system-wide residential distribution rate increase. See PECO USECP, pg. 5, footnotes 4 and 5.

To that end, below please find the Annual CAP Maximum Credits that have been in place since the effective date of PECO's most recent electric base rate case, January 1, 2022:

Annual Maximum Credit Amounts

FPL	Electric Non-Heating (Rate R) ⁴	Electric Heating (Rate RH) ⁵	Gas
0-50%	\$2,693	\$3,835	No maximum
51-100%	\$1,897	\$2,547	No maximum
101-150%	\$1,719	\$2,275	No maximum

Should you have any questions regarding this filing, please do not hesitate to contact me at 267.533.0835.

Very truly yours,

Jennedy S. Johnson
