RE: Special Electric Reliability Forum

The Pennsylvania Public Utility Commission's Special Electric Reliability Forum will be held on Thursday, January 10, 2013, at 1:30 P.M. in Hearing Room No. 1, Commonwealth of Pennsylvania's Keystone Building, 400 North Street, Harrisburg, Pennsylvania. The purpose of this meeting is to gather information from the state's electric utilities regarding the events leading up to and following Hurricane Sandy as it relates to system reliability.

Presentations or other informational materials will be offered by representatives of FirstEnergy; PPL Electric Utilities; PECO Energy Company; Pike County Light & Power Company; and UGI Utilities, Inc. The topics that will be covered during the meeting include:

- Preparation, pre-planning and pre-staging of personnel, materials and equipment;
- Outreach to contractors and other utilities;
- Customer communications and outreach;
- Update on the best practices that were implemented following the storms of 2012; and
- What could have been done better - lessons learned.

If you have any questions concerning this meeting or the enclosed agenda, please feel free to call Darren Gill, Deputy Director, Technical Utility Services at 717-783-5244.

Very truly yours,
