BeWise events are held statewide each year to provide a networking and information opportunity for human service providers, promoting consumer awareness, utility education and life management skills.

# BE WISE AND ATTEND THIS EVENT!

The Be Wise group, comprised of representatives from local utilities, government and community agencies, will host the 11th Annual Berks County Social Service Event. The Be Wise group is dedicated to providing education and networking opportunities to health and social service agencies. You are invited to attend this worthwhile event! **Registration for this event is \$5 per attendee.**

Everyone is invited to participate in the morning panel discussion on changes and updates to LIHEAP, energy programs and regulations presented by UGI, FirstEnergy, PPL, PA Dept. of Public Welfare (DPW) and the PA Public Utility Commission (PUC).

Additionally, you will be given the opportunity to choose six of the 10 workshop topics that will be presented. Each workshop will be approximately 45 minutes in length and includes time for questions.

## Below is a sampling of the day's topics:

**Attorney General's Office** — Learn more about consumer protection issues, including scams and fraud.

**Community Prevention Partnership of Berks County** — An overview of the Nurse Family Partnership and Parents As Teachers home visitation programs.

**Council on Chemical Abuse** — Gain awareness of problem gambling and understand how it impacts youth and seniors.

**Community Solutions, Inc.** — Multisystemic Therapy, an intensive family and community-based treatment for youth with complex challenges.

**Job Corp** — Assisting young people to become employable in the current labor market.

**Reading Behavioral Health Center** — Introduction to PCIT treatment model (Parent-Child Interaction Therapy) for children ages 3-7.

**Berks County Area Agency on Aging** — Learn why we are your primary resource for aging issues and services.

**Berks Community Health Center** — Understanding the Affordable Care Act and the new Health Insurance Marketplace.

**Abilities in Motion** — Difficult transitions in healthcare and life: How accessing home and community-based services can ease this process.

**Weatherization & Conservation** (UGI, PPL, FirstEnergy, BCAP, PUC) — Energy efficiency and conservation efforts, smart meters, WARM, client qualifications, criteria and program enhancements.

I will attend the Berks County Social Service event on 10/27/14
