NAME AND SUBJECT

PUC - INVESTIGATION AND ENFORCEMENT VS  
WINOLA WATER COMPANY

- WWC provides water service to approximately 10 year-round customers and 25 seasonal customers in Overfield Township, Wyoming County. On 11/18, BIE filed a Petition for an Ex Parte Emergency Order. BIE alleged that the PA Department of Environmental Protection directed WWC to notify its customers that its water is not safe for consumption and to provide an alternative source of potable water to its customers, and that WWC has not responded to the DEP direction. On 11/19/18, Commissioner Kennard issued an Ex Parte Emergency Order granting BIE's Petition. The Emergency Order initiated a proceeding pursuant to 66 Pa. C.S. § 529, appointed Pennsylvania American Water Company as receiver for WWC, and directed PAWC to provide an alternative source of potable water to WWC customers.

RECOMMENDATION:

That the Commission adopt the Ratification Order.
