C-2018-3000582	- By Order entered 12/6/18, the Commission, inter alia, ordered Columbia Gas to cease the discriminatory billing practice of offering “on bill billing” of non-commodity goods and services offered by two former Columbia affiliates, while denying the same billing option to the Natural Gas Suppliers (NGSs). The Commission’s 12/6/18 Order acknowledged that Columbia Gas has discretion to offer such billing service, but it must be offered in a non-discriminatory manner to NGSs that request the same billing service. On 12/17/18, the OCA filed a Petition for Reconsideration of the 12/6 Order reiterating its position that the billing practice in question raises serious consumer protection concerns and requesting that the Commission authorize Columbia Gas’ continued provision of the billing service to its former affiliates, while denying the billing service to the NGSs, thereby authorizing Columbia’s discrimination in provision of service.
