BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION

PREHEARING MEMORANDUM
OF THE
OFFICE OF CONSUMER ADVOCATE

Pursuant to Section 333 of the Public Utility Code, 66 Pa.C.S. § 333, and in response to the Prehearing Conference Order issued in the above-captioned matter, the Office of Consumer Advocate (OCA) provides the following information:

1. INTRODUCTION AND PROCEDURAL HISTORY

On July 1, 2009, Metropolitan Edison Company (Met-Ed), Pennsylvania Electric Company (Penelec), and Pennsylvania Power Company (Penn Power) (collectively First Energy Companies) filed their Joint Petition for Consolidation of Proceedings and Approval of Energy Efficiency and Conservation Plans (Plans) with the Pennsylvania Public Utility Commission (Commission) pursuant to Section 2806.1 of the Public Utility Code and pursuant to the Implementation Order entered by the Commission at Docket No. M-2008-2069887 on January 16, 2009. The First Energy Companies request that the Commission consolidate their Petitions and approve their Plans, including cost recovery via a surcharge.

The First Energy Companies plan to reduce annual energy consumption by more than 1.02 million MWh in the aggregate by May 31, 2013, by implementing nineteen (19) programs for
residential; commercial and industrial; and governmental/institutional customers in each of their service territories. The First Energy Companies propose residential programs including: (1) Home Energy Audits; (2) Residential Appliance Turn-In Program; (3) Residential HVAC; (4) Residential Energy Efficiency Products Program; (5) Residential New Construction; (6) Residential Whole Building; (7) Multi-Family - Tenants; (8) Residential Direct Load Control; and (9) Low-Income Residential.

The First Energy Companies’ filings were assigned to the Office of Administrative Law Judge and further assigned to Administrative Law Judge David A. Salapa for investigation. On July 8, 2009, ALJ Salapa issued a Prehearing Conference Order. On July 29, 2009, the Prehearing Conference will be held in Harrisburg. As required by Act 129, public input hearings will be held in the First Energy Companies’ service territories as follows: for Met-Ed in Wyomissing on August 4; for Penelec in Hollidaysburg on July 31; and for Penn Power in Mars on July 30. Technical evidentiary hearings will be held from August 30 through September 2, 2009.

On July 7, 2009, the Office of Consumer Advocate filed Notices of Intervention and Public Statements in these matters.

On August 7, 2009, the OCA will file Comments accompanied by Direct Testimony, which will identify specific issues.

II. ISSUES AND SUB-ISSUES

Based upon a preliminary analysis of the First Energy Companies’ filings and participation in several stakeholder meetings, the OCA has compiled a list of issues and sub-issues, which it anticipates will be included in its investigation of the filings. It is anticipated that other issues may arise and may be pursued during the course of these proceedings.

The following list sets forth the issues at this time that the OCA anticipates it will examine:
(1) Reasonableness of the First Energy Companies’ proposed energy conservation and demand response plan and the individual program design for meeting Act 129 requirements;

(2) Reasonableness of the balance of the portfolio of programs and whether the programs are equitably distributed;

(3) Whether the First Energy Companies’ Plans meet the requirements of Act 129 for low-income and governmental/non-profit customers;

(4) Reasonableness of the First Energy Companies’ proposed program costs, including the proposed budgets;

(5) Reasonableness of the First Energy Companies’ proposed cost recovery mechanisms and the allocation of overhead and common costs;

(6) Reasonableness and cost effectiveness of the proposed programs, including whether the Plans meet the requirements of the Total Resource Cost (TRC) test;

(7) Reasonableness of the First Energy Companies’ proposed measurement and verification and evaluation plans; and

(8) The need for an on-going stakeholder group.

The OCA specifically reserves the right to raise additional issues as may be necessary.

III. WITNESSES

The OCA intends to present the direct testimony of the following witness in this proceeding to accompany the OCA’s Comments. In order to expedite the resolution of this proceeding, the OCA requests that copies of all interrogatories, comments, and answers to interrogatories be mailed directly to the expert witness as well to counsel for the OCA.

The OCA reiterates that all time periods established in the foregoing discovery schedule should be calculated using calendar days.

VI. SCHEDULE

The Prehearing Order dated July 7, 2009, provides the schedule of these proceedings, and the OCA will work with the parties to address any witness scheduling issues.

VII. PUBLIC INPUT HEARINGS

been scheduled for Penelec on Friday, July 31, 2009, at 1 p.m. and 6 p.m. at the Pennsylvania Department of Transportation Engineering District 9-0 in Hollidaysburg, Pennsylvania. Public input hearings have been scheduled for Met-Ed on Tuesday, August 4, 2009, at 1 p.m. and 6 p.m. at the Crown Plaza Reading Hotel in Wyomissing, Pennsylvania. In the event that the OCA receives additional requests for a public input hearing, the OCA will notify the ALJ and the parties immediately. Given the expedited nature of this proceeding, the OCA requests that consideration be given to alternative means of receiving input from those members of the public who cannot attend the public input hearings. The OCA recommends telephonic public input hearings along with written comments.
