COHEN-Set I-9: The number and percentage of RS Customers who were late in paying their bills during the year and the average amount of late and/or uncollected payments in the last ten years?

PECO Response: Ten years worth of data is not available. Accordingly, PECO is providing the data that is available from 2007 and 2008.

The number of PECO customers taking service under Rate R (PECO understands that Rep. Cohen is requesting data for Rate R customers not Rate RS) who were late at any time in paying their bills in 2007 was approximately 426,581 or 35.3%, of the Rate R class. The approximate average amount of all late or uncollected payments for these customers was \$306.47 per customer. In 2008, the number of Rate R customers who were late at any time in paying their bills was approximately 411,753 or 34.1% of the Rate R class. The approximate average amount of all late or uncollected payments for these customers was \$348.36.
