Re: **PECO Energy Company's Proposed Conservation Service
Provider Contract with CMC Energy Services, Inc. – Docket No. M-2009-2093215**

Dear Secretary McNulty:

Enclosed for filing and Commission approval, please find the PECO Energy Company ("PECO") proposed Conservation Service Provider ("CSP") contract with CMC Energy Services, Inc. ("CMC") for the delivery of all program services in connection with PECO's Low Income Energy Efficiency Program. The Low Income Energy Efficiency Program is a program under PECO's Energy Efficiency and Conservation Plan. Also attached is a copy of the Commission's March 24, 2009 Secretarial Letter confirming CMC's registration on the Registry of Conservation Service Providers.

Please note that this Agreement is CONFIDENTIAL and should be accorded such treatment by the Commission.

As communicated by Commission staff, the following requirements are included in the Agreement:

- That CMC must be approved by and registered with the Commission as a CSP (*see* Exhibit E to the Services Agreement Between PECO Energy Company and CMC Energy Services, Inc.);
- That CMC must maintain this registration with the Commission throughout the term of the Agreement (*Id.*); and
- That CMC certifies that it is not an EDC affiliate and must provide immediate notification to PECO should it merge with an EDC or otherwise become an EDC affiliate. Further, the occurrence of such an affiliate relationship or merger constitutes grounds for termination of the Agreement. (*Id.*).
