**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Petition of PECO Energy Company for :
Approval of its Smart Meter Technology : Docket No. M-2009-2123944
Procurement and Installation Plan :
:

**PETITION FOR LEAVE TO WITHDRAW INTERVENTION
OF RETAIL ENERGY SUPPLY ASSOCIATION**

Pursuant to 52 Pa. Code § 5.94(a), the Retail Energy Supply Association (“RESA”)¹ submits this Petition for Leave to Withdraw its Petition to Intervene in the above-captioned matter. In support of this Petition, RESA states as follows:

1. On October 28, 2010, PECO filed the above-captioned petition proposing to offer two different rate options: Critical Peak Pricing (“CPP”) and Time-of-Use (“TOU”) Pricing. Residential customer (PECO Procurement Class 1) that are not enrolled in PECO’s CAP program will be eligible for both the CPP and TOU rates. Small and medium C&I customers (PECO Default Service Procurement Classes 2 and 3) will be eligible for the CPP rate. PECO avers that it is using these rates to satisfy Act 129’s “time of use” definition by reflecting the costs of serving customers during different time periods. PECO proposes to make these plan

¹ RESA’s members include ConEdison *Solutions*; Constellation NewEnergy, Inc.; Direct Energy Services, LLC; Energy Plus Holdings, LLC; Exelon Energy Company; GDF SUEZ Energy Resources NA, Inc.; Green Mountain Energy Company; Hess Corporation; Integrys Energy Services, Inc.; Just Energy; Liberty Power; NextEra Energy Services; Noble Americas Energy Solutions LLC; PPL EnergyPlus; Reliant Energy Northeast LLC. The comments expressed in this filing represent the position of RESA as an organization but may not represent the views of any particular member of RESA.

available only to default service customers and customers who receive generation service from a competitive supplier are not eligible to choose these products

2. RESA filed a Petition to Intervene consistent with the Secretarial Letter dated November 4, 2010 and notice published in the Pennsylvania Bulletin on November 13, 2010 at 40 Pa.B. 6619. By Prehearing Order dated December 9, 2010, RESA Petition to Intervene was granted by Presiding Administrative Law Judge Marlane R. Chestnut.

3. Following the filing of the Petition to Intervene, RESA has reviewed the filings made to date and has discussed the proposals with PECO. While RESA continues to remain concerned about the impact of PECO's proposals on the level of retail competition that will be experience in PECO's market during this period, RESA believes these concerns will be adequately addressed by other parties in the proceeding and, due to the press of other matters, seeks to withdraw its intervention in this matter. RESA, however, reserves its right to raise these concerns as may be appropriate in any future filings that may be made by PECO or other electric distribution companies.

WHEREFORE, RESA respectfully requests that the Presiding Officer grant this Petition for Leave to Withdraw.

Respectfully submitted,
