Efficiency and Approval of Matters Relating to the Energy Efficiency and Conservation Plan, Docket No. M-2009-2093218 on June 24, 2011.

In awarding this contract, FirstEnergy followed the approved Competitive Bidding Process for Conservation Service Providers, for its original electric distribution companies, which was submitted to the Commission and approved by Secretarial Letter dated March 18, 2009 in Docket Numbers 2009-2092222, 2009-2112952, and 2009-2112956.

The Company recognizes that Commission staff has 45 days from filing to review and approve the enclosed Agreement in accordance with the Commission's Act 129 Implementation Order. However, to the extent possible, the Company respectfully requests an expedited review and approval of this contract so that the program can be implemented immediately.

Due to the financially sensitive and proprietary nature of the information contained in this Agreement, the Company respectfully requests that the Commission accord the Agreement the highest possible confidential treatment under the Commission's regulations.

Please date stamp the additional copy of this cover letter and return it to me in the enclosed, postage-prepaid envelope. Should you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

Kathy J. Kolich
