PUBLIC STATEMENT OF THE  
OFFICE OF CONSUMER ADVOCATE  
PURSUANT TO 71 P.S. SECTION 309-4(e)

Act 161 of the Pennsylvania General Assembly, 71 P.S. Section 309-2, as enacted July 9, 1976, authorizes the Consumer Advocate to represent the interests of consumers before the Pennsylvania Public Utility Commission (Commission). In accordance with Act 161, and for the following reasons, the Consumer Advocate determined to file an Answer and intervene in the proceedings before the Commission involving Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company and West Penn Power Company (Met-Ed, Penelec, Penn Power, West Penn or, jointly, the Companies).

On November 17, 2011, the Companies filed with the Commission a Petition for approval of their Default Service Plan for their generation customers. The Companies' existing Default Service plan is set to expire on May 31, 2013. The proposed Default Service Plan is for the period of June 1, 2013 through May 31, 2015. The Companies propose to acquire 100% of the supply for residential customers through a series of fixed price, load-following supply contracts in 50 MW tranches and to price 10% of this supply at the hourly real-time Zonal price for each of the Companies. To recover its costs for serving residential customers, the Companies propose a quarterly adjustment mechanism. The Companies are proposing a Market Adjustment Charge, which would add an additional 0.5¢ per kWh to the Price to Compare paid by all residential and commercial default service customers. The Companies also propose to implement a customer referral program to provide information to consumers about shopping opportunities and a retail opt-in auction program as mechanisms to enhance retail choice.

The Consumer Advocate determined to intervene in this proceeding to protect the interests of the Companies' residential customers. The Consumer Advocate will seek to ensure

that any default service rates that are approved as a result of this proceeding are just and reasonable, consistent with Pennsylvania law and meet the requirements of Act 129. The Consumer Advocate will also seek to ensure that any retail choice programs that are considered are reasonable, in accordance with the law, and provide benefits to all consumers without harming default service, the retail market or consumers.
