**Re: Petition Of PECO Energy Company For Approval Of Its Act 129 Energy Efficiency
And Conservation Plan And Expedited Approval Of Its Compact Fluorescent Lamp
Program – Docket No. M-2009-2093215**

Dear Secretary Chiavetta:

On February 14, 2012, PECO Energy Company (“PECO”) filed with the Commission its *Petition for Expedited Approval of Demand Response Contracts and Notice of Intent to Seek Amendment of the Contracts*. As PECO noted in the Petition, it is requesting expedited consideration from the Commission in order to promptly obtain the demand response resources necessary to meet Act 129’s demand reduction goals.

PECO notes that there are two Public Meeting dates remaining in March at which its Petition could be considered by the Commission (March 15 and March 29). The Company respectfully requests consideration of its Petition no later than the March 29 Public Meeting so that it may promptly sign the contracts and begin steps to secure additional demand response resources that it may call upon in the future, if prudent.

Please do not hesitate to contact me should you need further information with respect to this matter.

Very truly yours,

Anthony E. Gay
Associate General Counsel
