**Re: Petition for Approval of PECO Energy Company's Initial Dynamic Pricing and
Customer Acceptance Plan, Docket No. M-2009-2123944**

Dear Secretary Chiavetta:

On January 27, 2012, PECO Energy Company ("PECO") provided a status letter to the Commission to advise it of the steps PECO is taking to implement the Commission's recommendation that EDCs contemplate contracting with an EGS to provide time of use ("TOU") rates. The purpose of this letter is to provide a further status update to the Commission.

PECO has completed its vendor selection process and will be notifying all of the bidders of their status within the next few days. On Tuesday, March 6, PECO conducted a meeting in Harrisburg with interested parties from its Dynamic Pricing proceeding. PECO expects to have follow-up discussions with those stakeholders next week and, following completion of those discussions, will file a Petition with the Commission for approval of its vendor recommendation and Dynamic Pricing program supplement.

Please feel free to contact me at the above number if you have any questions or require additional information.

Very truly yours,

Anthony E. Gay
