PETITION TO INTERVENE OF
THE PHILADELPHIA AREA INDUSTRIAL ENERGY USERS GROUP

TO THE HONORABLE, THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

Pursuant to Sections 5.71 through 5.74 of the Pennsylvania Public Utility Commission's
("PUC" or "Commission") Regulations, the Philadelphia Area Industrial Energy Users Group
hereby files this Petition to Intervene in the above-captioned proceeding. 52 Pa. Code §§ 5.71-
5.74. In support thereof, PAIEUG avers as follows:

1. Petitioner is the Philadelphia Area Industrial Energy Users Group ("PAIEUG").
The composition of PAIEUG is attached hereto as Appendix A. PAIEUG reserves the right to
modify Appendix A throughout the course of this proceeding, as necessary.

2. The names and address of PAIEUG's counsel are:

Charis Mincavage (I.D. No. 82039)
Adeolu A. Bakare (I.D. No. 208541)

3. PAIEUG is an ad hoc group of energy-intensive customers receiving electric service from PECO Energy Company ("PECO" or "Company") under Rates HT and PD. PAIEUG members use substantial volumes of electricity in their manufacturing and operational processes, and these electric costs are a significant element of their respective costs of operation. Any modification to PECO's electric rates may impact PAIEUG members' cost of operations. The members of PAIEUG are therefore concerned with issues regarding the terms and conditions of their electricity service and, as a result, have been actively involved in numerous PECO proceedings, including PECO's Act 129 Energy Efficiency and Conservation ("EE&C") Plan and Smart Meter Technology Procurement and Installation Plan proceedings. The Commission's final disposition of PECO's Dynamic Pricing Plan Vendor Selection and Dynamic Pricing Plan Supplement (the "Dynamic Pricing Plan Supplement" or "Plan Supplement") may directly affect the rates that the Company imposes on PAIEUG members for service.

4. On April 2, 2012, consistent with the requirements of Act 129 and the Commission's Order entered December 16, 2011 at Docket No. 1-2011-2237952 ("Retail Market Order"), PECO filed with the Commission a Petition seeking PUC approval of its Dynamic Pricing Plan Supplement ("Petition"). Specifically, PECO requests that the Commission: (1) approve the Electric Generation Supplier ("EGS") vendor selected by PECO to provide Time-of-Use ("TOU") service; (2) find that the Dynamic Pricing Plan Supplement satisfies the requirements of Act 129 and the Commission's Retail Market Order; and (3) approve PECO's proposed tariff provisions and the recovery of Plan Supplement costs through the Company's Generation Supply Adjustment ("GSA").

5. PAIEUG recognizes that, at this time, PECO is not proposing an additional dynamic pricing option for large commercial and industrial customers or requesting to recover
costs associated with dynamic pricing service from such customers. Accordingly, PAIEUG does
not oppose PECO's Petition at this time. PAIEUG is concerned, however, with any
modifications to the Plan Supplement that may result through the course of this proceeding.
Accordingly, PAIEUG is submitting this Petition to Intervene in order to ensure that its member
interests are adequately protected in the event of any such modifications to PECO's Petition.

6. Therefore, consistent with 52 Pa. Code § 5.72(a), PAIEUG has a significant
interest in this proceeding that is not represented by any other party of record. Accordingly,
PAIEUG should be granted intervenor status in this proceeding.

WHEREFORE, the Philadelphia Area Industrial Energy Users Group respectfully
requests that the Pennsylvania Public Utility Commission grant this Petition to Intervene and
provide the Philadelphia Area Industrial Energy Users Group with full-party status in this
proceeding.

Respectfully submitted,

McNEES WALLACE & NURICK LLC
