SECRETARY'S BUREAU

Dear Madam Secretary:

Pursuant to the Tentative Implementation Order adopted by the PUC on March 15, 2012, and entered on March 16, 2012, all counties that adopt impact fee ordinances must provide notice to the PUC, in the form of an official filing directed to the Secretary.

Please be advised that Dauphin County adopted an impact fee ordinance on March 28, 2012. Consistent with the Tentative Order, a verified copy of the Ordinance is attached hereto at Exhibit A. The Ordinance itself does not reflect the Docket Number established by the PUC for Act 13 matters. However, the correct Docket Number for Dauphin County's filing is identified above.

Thank you for your attention to this letter.

Sincerely,

Guy P. Beneventano
