RE: Act 13 of 2012 – Implementation of
Unconventional Gas Well Impact Fee Act
Docket No. M-2012-2288561

Dear Secretary Chiavetta:

Enclosed is a Certificate of Service showing service of the petition of the Pennsylvania Independent Oil and Gas Association (PIOGA), Marcellus Shale Coalition (MSC) and Associated Petroleum Industries of PA, a division of API (API) (collectively, "Producers") on other commentators. The Producers' petition, filed last Friday, May 25, seeks reconsideration and clarification of two matters in the Commission's May 10, 2012 Final Implementation Order concerning Chapter 23 of Act 13, the local impact fee provisions: the three year minimum fee on vertical gas wells and the erroneous description of Producers' comments concerning the allocation of PUC assessments in the above-referenced matter. Please contact me if you have any questions regarding this filing.

Very truly yours,

Kevin J. Moody
General Counsel
