RE: Proposed PPL High Voltage Power Line Route

Docket #A-2012-2340872

A-2012-2340872

Dear Ms. Chiavetta:

I am writing to you to express my opposition to the proposed PPL High Voltage power line route through Thornhurst Twp. and neighboring communities (Docket # A-2012-2340872). I am requesting your sincere consideration to schedule a public input hearing in Thornhurst, PA in order for myself and my neighbors to provide our input before a decision on the matter is made.

The Thornhurst Fire Hall can accommodate your technical requirements for a hearing and has enough space for the people in the townships of Thornhurst, Clifton and surrounding areas affected by the proposed line to come and testify.

My husband and I are the owners of Thornhurst Nurseries, a Christmas tree farm and seasonal gift shop, located in Thornhurst, PA. Our customers 'travel' to our location and constantly compliment the beauty of the Thornhurst area, saying, 'it's worth the trip!'

We are proud of the undeveloped, rural character of our town and would like the *commission to see and appreciate it first hand as we try to defend our way of life and explain the irreversible damage we feel this line through our lands will impose.*

Thank you again for your consideration.

Sincerely,

Kathleen Rector
