Dear Ms. Chiavetta:

I am 57 years old and have had a lifelong love affair with the beauty of Lackawanna County. My grandfather lived in Wilkes-Barre and our family has enjoyed the summers in Lackawanna County since the 1940's. I am writing to oppose the PPL High Voltage power line route (Docket # A-2012-2340872) and the destructive effect it will have on the life and beauty of this section of Pennsylvania.

I urge you to schedule a public hearing in Thornhurst in order to get input from the affected population before a decision is made. Surely a less destructive route can be found to fit the power company's needs.

Thank you.
