PETITION TO INTERVENE OF PENNSYLVANIA GLACIAL TILL LLC

Pennsylvania Glacial Till LLC (PA Glacial), by and through its undersigned attorneys, Rhoads & Sinon LLP, hereby files this Petition to Intervene in the above-captioned proceedings pursuant to the Rules of Practice and Procedure promulgated by the Pennsylvania Public Utility Commission, 52 Pa. Code §§5.71-76, and in accordance with the Notice published in the *Pennsylvania Bulletin* at 43 Pa. B. 947 (February 9, 2013) and Prehearing Order #1 issued by Administrative Law Judge David A. Salapa on January 8, 2013.

I. INTRODUCTION

On December 28, 2012, PPL Electric Utilities Corporation (PPL or applicant) filed an Application at Docket No. A-2012-2340872 (the Siting Application) with the Pennsylvania Public Utility Commission (Commission) requesting authority to locate and construct the *Pennsylvania portion of transmission lines associated with the proposed Northeast-Pocono Reliability Project (Northeast Pocono Line)*. PPL asserts that the Northeast Pocono Line is needed to resolve reliability and planning violations and to reinforce the 69 kV systems serving the Northeast Pocono region by bringing a new 230 kV supply source closer to the growing load centers. As part of the Application, PPL proposed three new transmission lines: (1) *Jenkins-West Pocono Line*; (2) *West Pocono-North Pocono Line*; and, (3) *North Pocono-Paupack Line*.

Separately, also on December 28, 2012, PPL filed two Petitions (the Substation Petitions) at Docket Nos. P-2012-2340871 and P-2012-2341105 requesting that the Commission approve the construction of buildings to shelter control equipment associated with the North Pocono and West Pocono substations, respectively.

Also, PPL filed 37 separate Applications (the Eminent Domain Applications) relating to the proposed exercise of the power of eminent domain arising from the project. Specifically, the

Application at Docket No. A-2013-2344616 seeks authorization to utilize eminent domain to take property rights regarding property owned by PA Glacial. The proposed Northeast-Pocono Reliability Project will traverse a portion of the land owned by PA Glacial.

II. PENNSYLVANIA GLACIAL TILL LLC'S INTEREST AND STANDING

In support of this Petition to Intervene, Pennsylvania Glacial Till LLC ("PA Glacial") provides the following additional information:

1. The instant intervenor is Pennsylvania Glacial Till LLC, a for-profit corporation engaged in the business of land ownership and quarry operations. Its business address is P.O. Box 900, Blakeslee, PA 18610.

2. The intervenor's attorneys for the purpose of receiving service of all documents in this proceeding are:

Scott H. DeBroff, Esq.
Alicia R. Duke, Esq.
RHOADS & SINON LLP
One S. Market Square, 12th Floor
P O Box 1146
Harrisburg PA 17108-1146
(717) 237-6716 (voice)
(717) 260-4416 (fax)
sdebross@rhoads-sinon.com
aduke@rhoads-sinon.com

3. Counsel for Intervenor is authorized to accept service on behalf of PA Glacial in this proceeding. PA Glacial requests that the Commission and all parties of record serve copies of all documents (including, but not limited to, correspondence, discovery requests and answers, commission orders, pleadings and testimony) electronically on its counsel of record as well as by hard copy.

4. PA Glacial is the owner of a parcel which is the subject of PPL's Application at Docket No. A-2013-2344616, relating to the exercise of eminent domain. PPL has identified the property in its exhibits CK-PA Glacial-3 showing the metes and bounds description and CK-Pa Glacial-4 showing a map of the portion of the property over which PPL Electric proposes to acquire a right-of-way and easement. PA Glacial has not yet independently confirmed the actual descriptions and map shown in these exhibits.

5. As a result of PPL's decision to locate portions of the Northeast-Pocono Reliability Project across PA Glacial's property, PA Glacial's property rights are adversely affected in that it may be unable to use and/or develop its property appropriately. Other feasible routes are available for the proposed project.

6. As an affected property owner whose rights will be adversely impacted if the Commission grants PPL authority to locate, construct and operate the Northeast-Pocono Reliability Project, PA Glacial therefore has an interest in PPL's various Applications (Docket Nos. A-2012-2340872 and A-2013-2344616) and the Petitions at Docket Nos. P-2012-2341105 and P-2012-2340871 which may be directly affected by the outcome of this proceeding and which is not adequately represented by existing participants and as to which PA Glacial may be bound by the action of the Commission. PA Glacial therefore satisfies the standards for intervention established by the Commission in 52 Pa. Code §5.72(a).

7. In addition, pursuant to 52 Pa. Code §57.75(i)(3), as the owner of property which is the subject of the Eminent Domain Application at A-2013-2344616, PA Glacial has automatic standing to participate as a party in the Siting Application.

8. PA Glacial's position in this proceeding is to ensure that PPL's proposed construction has no adverse impact on PA Glacial's property rights. Due to the early stage of the

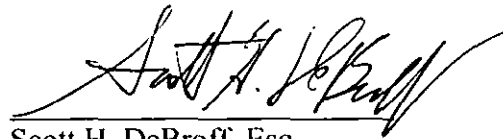

proceeding, PA Glacial reserves the right to finalize its position after it has had an opportunity to further evaluate PPL's filings, conduct discovery and review additional information that may be provided, and to raise and/or address additional issues that may be identified by other parties.

III. CONCLUSION

WHEREFORE, Pennsylvania Glacial Till LLC respectfully requests that the Commission and the presiding Administrative Law Judge grant its Petition to Intervene with full party status in this proceeding.

Respectfully submitted,

By:

Scott H. DeBroff, Esq.

Alicia R. Duke, Esq.
