Re: P.U.C. #A87455

Dear Sir,

In answer to your letter of February 19, 1987, please be advised that a copy of the P.U.C. Assessment Form MT85 has been sent to your assessment department. Per my phone conversation with an employee in the assessment office, a copy of this form would be sufficient to satisfy your letter referenced above. Also, please be advised that the original form was sent along with our Annual Report.

I trust this meets to your requirements and that this matter can be cleared from our record.

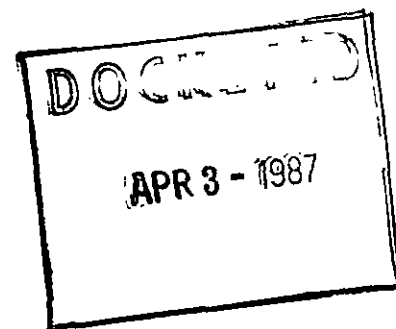

Sincerely,

M. F. ROCKEY MOVING COMPANY

Re: A-00087455

Dear Sir:

The Pennsylvania Public Utility Commission has taken action to postpone the due date for the filing of the 1986 Annual Reports.

As a result of the Commission's action the filing of your 1986 Annual Report is not now considered to be "late-filed" and consequently your fine check is being returned to you.

The above action has been taken as a result of the Commission having instituted a rulemaking procedure to abolish the mandatory fine for late filing of Annual Reports in favor of an alternate enforcement mechanism.

If you have any questions or need any further assistance, do not hesitate to call.

Very truly yours,

Joseph M. Machulsky, Chief

Attn: George T. Mahan, Chief

Dear Mr. Mahan:

I appreciate your follow-up on behalf of my "gripes" about my moving experience with Allied Van Lines agent M.F. Rockey. While many of their responses to you demonstrate a memory lapse, it appears to me that they have kept reasonably within the law. Accordingly, I will not pursue a request for a hearing.

Just to further show you what kind of people they are, as of last week, five months later, they have finally authorized four of my pieces of furniture they damaged to be repaired. They have not yet authorized a half dozen other repairs including a brand new, never used, Pennsylvania House dresser which they split in half. When the other four pieces return we will see if they take steps to repair the remaining items. If not, I presume my lawyer will have to. "Great" people to serve the public, eh?

Again, many thanks.

Sincerely,

James W. Knepper Jr.

P.S. Appreciate weather info. I know it snowed, I even took a picture of the Allied Van at midnite. after the snow had suddenly fallen. It was beautiful outside. So was the sunny, "snow free" 36^o (warmer in the sun) day during which they loaded the truck.
