Re: Competitive Local Exchange and Access Services
American Broadband and Telecommunications Company

Dear Secretary Chiavetta:

Enclosed please find revisions to the January 18, 2013 application and February 22, 2013 filing of American Broadband and Telecommunications Company.

In the February 22, 2013 filing, the following was submitted in response to a PA PUC February 4, 2013 deficiency letter:

- (1) Questions 9, 10, 13, and 18 of the application were revised resulting in revisions to pages 5, 6 and 7 of the application. *Of particular note, American Broadband proposes to offer service in the Verizon North, Verizon Pennsylvania and Frontier Pennsylvania service territories, not statewide as previously noted.*
- (2) PA P.U.C. Tariff No. 1 was revised and resubmitted in total.
- (3) PA P.U.C. Tariff No. 2 was submitted and containing American Broadband's Switched Access Service tariff. This tariff was inadvertently omitted in the January 18, 2013 filing.

Secretary
Pennsylvania Public Utility Commission
Page 2

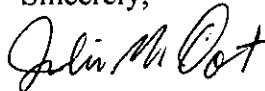

- (4) American Broadband also notified the PA PUC that it wished to detariff its interexchange services and removed all references to interexchange services in its tariff.

In this filing, American Broadband is attaching the rate section of its Switched Access tariff.

I have also enclosed an extra copy of this letter to be date stamped and returned to me in the enclosed, self-addressed, postage prepaid envelope.

We continue to be in contact with Bryan Mahla regarding this matter. If you have any questions or if I may provide you with additional information, please do not hesitate to call me.

Sincerely,

Julie M. Oost
