**Re: Application of PPL Electric Utilities Corporation filed Pursuant to 52 Pa. Code Chapter 57, Subchapter G, for Approval of the Siting and Construction of Transmission Lines Associated with the Northeast-Pocono Reliability Project in Portions of Luzerne, Lackawanna, Monroe, and Wayne Counties, Pennsylvania Docket Nos. A-2012-2340872, et al.**

---

Dear Ms. Dusman:

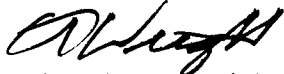

Please be advised that the updated response of PPL Electric Utilities Corporation to the Interrogatories of the Office of Consumer Advocate, Set I, No. 8(c), has been posted and is available for review on the Northeast-Pocono Reliability Project Secured Folder website. This response updates the need analysis for the Northeast-Pocono Reliability Project and confirms that the need and timing for the overall Project remains the same. Those parties that have requested and have been granted access to the Secured Folder website can now login to view the discovery response.

Please be advised that PPL Electric will not be serving hard copies of these discovery responses. Any party that wants access to the Secured Folder website should submit an e-mail to [cwright@postschell.com](mailto:cwright@postschell.com), requesting access to the Northeast-Pocono Reliability Project Secured Folder website. In the event that you do not have access to e-mail, please contact me at 717.612.6013 to discuss alternative arrangements. PPL Electric will assume that any Party that fails to either (1) submit an e-mail for access to the secured website or (2) contact me directly to make alternative arrangements does not want to receive discovery responses in this proceeding.

Please do not hesitate to contact me should you have any questions or if you have any difficulties in accessing the secured website.

Dianne E. Dusman, Esquire
