Re: The Columbia Water Company; Distribution System Improvement Charge

Dear Secretary Chiavetta:

The Columbia Water Company ("Columbia") has been filing quarterly updates to its Distribution System Improvement Charge ("DSIC") in accordance with the Commission's Order of April 17, 2003, at Docket No. P-00021979. However, on February 6, 2014, Columbia filed Tariff Supplement No. 64, which increased rates effective February 7, 2014, and includes prospective recovery of the annual costs that had theretofore been recovered under the DSIC. Therefore, as of February 7, 2014, the DSIC surcharge has been reset to 0.0%. Pursuant to Columbia's Tariff – Water Pa. P.U.C. No. 7, Section 27, Columbia will initiate quarterly updates to its DSIC charge as soon as fixed costs for new eligible plan additions, that have not previously been included in the Company's rate base, become eligible.

Thank you very much for your attention to this matter. Please do not hesitate to contact the undersigned with any questions you may have pertaining to this filing.

Very truly yours,

Thomas J. Sniscak
William E. Lehman
