Long Term Infrastructure Improvement Plan
Responses to TUS Set I Data Requests
Delivered on February 26, 2014

Question 1

Request:

Page 5, Item 12 of the petition states "the DSIC will allow UGI-GD to remove aging portions of its system and enhance the safety of its system by ensuring replacement of facilities with new, longer lasting and safer materials." Page 2 of the LTIIIP states "UGI-GD is not filing a DSIC petition at this time." Please reconcile these two conflicting statements.

Response:

The sentence in the Petition on page 5 should be revised to state, "When available to UGI-GD, the DSIC will allow UGI-GD to remove aging portions of its system and enhance the safety of its system by ensuring replacement of facilities with new, longer lasting and safer materials."
