**Re: Petition of PECO Energy Company for Approval of Its Smart Meter  
Universal Deployment Plan  
Docket No. M-2009-2123944**

Dear Secretary Chiavetta:

On March 6, 2014, PECO Energy Company ("PECO" or "Company") filed a letter with the Pennsylvania Public Utility Commission regarding its final agreement with Sensus USA, Inc. ("Sensus") for reimbursement of costs PECO incurred, and deferred on its books of account, in connection with meter overheating events that occurred in 2012. Due to this agreement, PECO will not seek recovery from customers of any of the \$17 million of net meter-event related costs that it had deferred. Additionally, PECO will reflect an approximately \$16 million credit against the original cost of recoverable Smart Meter plant investment will be applied in its next update of its Smart Meter Cost Recovery Surcharge (SMCRS"), which represents a credit to customers of the value achieved in the agreement with Sensus.

The Office of Small Business Advocate ("OSBA") has reviewed PECO's March 6 filing and supports the Company's proposal on this issue, finding it to be reasonable and in the best interest of customers.

Sincerely,

A handwritten signature in cursive script that reads "Elizabeth Rose Triscari".
