Re: Petition of Metropolitan Edison Company for Approval of its Smart Meter
Deployment Plan; Docket Nos. M-2013-2341990

Dear Secretary Chiavetta:

Enclosed for filing is the Revised Smart Meter Deployment Plan of Metropolitan Edison Company ("Company") in both a red-lined and clean format. This plan is being filed pursuant to the Commission's March 6, 2014 Opinion and Order ("March 6 Order") in the above referenced docket. The March 6 Order directed that certain changes be made to the Company's original plan and, at the same time, authorized the Company to submit an amended plan that provides for an acceleration of the originally proposed smart meter deployment schedule. The Revised Smart Meter Plan, therefore, serves both as a compliance filing with respect to the March 6 Order and as explanation and support for modification of the original deployment schedule filed on December 31, 2012. The enclosed supplemental testimony of Mr. George L. Fitzpatrick (Met-Ed/Penelec/Penn Power/West Penn Statement No. 4-S) and the testimony of Ms. Laura W. Gifford (Met-Ed/Penelec/Penn Power/West Penn Statement No. 6-S) accompany this filing in support of the revised plan.

Please advise if you have any questions regarding this filing.

Very truly yours,

John F. Povilaitis
