Re: Application of Rasier-PA, LLC; Docket No. A-2014-2416127

Dear Secretary Chiavetta:

This is in response to your letter dated April 15, 2014 in the above-captioned matter, requesting additional information so that the Pennsylvania Public Utility Commission (“Commission”) may continue processing the Application of Rasier-PA, LLC.

Please note that Rasier-PA, LLC does not intend to utilize a trade name. As explained in Paragraph 11, Applicant plans to license the technology of Uber Technologies, Inc. to generate leads from riders who need transportation services. As also stated in Paragraph 11, Applicant is not providing transportation services. Applicant further certifies that it is not currently engaged in unauthorized intrastate transportation for compensation between points in Pennsylvania and will not engage in such transportation unless and until such authorization is received from the Commission. In Paragraphs 14, 15 and 16 of the Application, Applicant explains how services are provided by affiliated companies in the District of Columbia and other jurisdictions.

Consistent with Paragraph 3 of the Application, Applicant filed today an application with the Pennsylvania Department of State’s Corporation Bureau for registration as a foreign limited liability company. An entity identification number will be provided when it is available.

If you need any additional information, please feel free to contact me at 717-237-4820.

Sincerely,

Karen O. Moury
