Dear Sir,

A-2014-2415047

I Ernest Delbo representing SHAMOKIN Yellow Cab Inc. 212 W Independence St Pa. am filing a protest against the following application for authority, Lyft Inc. 548 Market st. San Francisco CA 94104 Docket# 2014-2415047. Filing under Code 52 Chapter 3 3.381. We would accept no restrictions to the application. We currently hold authority under the following tariffs

SHAMOKIN, MT. CARMEL, KULPMONT, ELYSBURG, TREVORTON
ATLAS, LOCUST GAP, MARION HEIGHTS, COAL TOWNSHIP.

To allow the Lyft Inc. to service any of the following areas would severely impact our operations. This would reduce our income and cause layoffs of our staff. We currently provide excellent service to all areas listed on our tariffs. Allowing Lyft Inc. to service our area would be detrimental to everyone involved, causing two weaker businesses and put the risk of loss of service to everyone in our areas. I am again asking that we accept no restrictions to the application. I would also like to mention that Lyft Inc. could not possibly cover all the area applied for in their application, the application is extremely broad. I would like to thank you for your time in reviewing this protest which I have filed.

Sincerely,

Ernest Delbo
