First Revised Page No. 109A
Cancelling Original Page No. 109A

To comply with the Commission's Order entered May 11, 2010, at Docket No. M-2009-2123948, Supplement No. 105 is being filed to correct language in the Calculation of Charge section in Rider No. 20 – Smart Meter Charge. The language has been corrected to state that interest on over or under collections shall be computed monthly at the legal rate of interest.

The change is an administrative change and will have no impact with respect to the Company's customers, customer bills or service rendered by the utility since the Company correctly computes interest on over or under collections at the legal rate of interest as approved in the above-referenced Commission Order.

The revenue billed under the SMC for each quarter of the reconciliation period will be compared to the actual revenue requirement for each quarter. The over or under collection of revenue during the reconciliation period will be recouped or refunded, as appropriate, with interest, over a one-year period commencing on January 1 of the following year. The over or under collection will be included in the quarterly calculation of the SMRR.

MISCELLANEOUS

Minimum bills shall not be reduced by reason of the SMC, nor shall charges hereunder be part of the monthly rate schedule minimum.
