The number of directors shall be fixed by the by-laws, which may specify that the number of directors shall not be less than a specified minimum or more than a specified maximum and provide a method for determining the actual number. The shareholders of the Corporation shall have the authority to elect or remove any or all of the directors with or without cause on the affirmative vote of a majority of the votes cast by the holders of shares entitled to vote for the election of directors.

ARTICLE VII MEETINGS

Any action required or permitted to be taken by the shareholders of the Corporation must be effected at an annual or special meeting of shareholders of the Corporation or may be taken without a meeting if all the shareholders entitled to vote thereon consent thereto in writing. Except as otherwise required by law and subject to the rights of the holders of any class or any series of preferred stock having a preference over the common stock as to dividends or upon liquidation, special meetings of shareholders of the Corporation may be called only by the Board of Directors pursuant to a resolution adopted by a majority of the total number of authorized Directors (whether or not there exist any vacancies in previously authorized directorships at the time any such resolution is presented to the Board for adoption).

ARTICLE VII CORPORATE BY-LAWS

Except as set forth in the final sentence of this subsection, the By-Laws of the Corporation may be altered, amended or repealed by the affirmative vote of a majority of the entire Board of Directors then in office. The By-Laws of the Corporation may also be altered, amended or repealed by the shareholders, but only by an affirmative vote of the holders of at least 75 percent of all the then-outstanding shares of the voting stock, voting together as a single class. Any By-Law may provide that it may only be altered, amended or repealed by the affirmative vote of the holders of at least 75 percent of all the then-outstanding shares of the voting stock, voting together as a single class, in which event such By-Law may only be altered, amended or repealed by such vote.

**ARTICLE IX. NO PERSONAL LIABILITY/INDEMNIFICATION
OF CORPORATE AGENTS**

(a) A Director or officer of the Corporation shall not be personally liable to the Corporation or its shareholders for monetary damages for breach of fiduciary duty as Director or officer, as the case may be, except to the extent that such exemption from liability or limitation of liability is not permitted under the New Jersey Business Corporation Act as currently in effect or as subsequently amended. No amendment to or repeal of this Article IX and no amendment to or repeal or termination of effectiveness of any law permitting the exemption from or limitation of liability provided for in this Article IX shall apply to or have any effect on the liability or alleged liability of any Director or officer for or with respect to any acts or omissions of that director or officer occurring prior to such amendment, repeal or termination of effectiveness.

(b)(1) Right to Indemnification. Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that such person or anyone for whom such person is the legal representative, is or was a Director or officer of the Corporation or is or was serving at the request of the Corporation as a Director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action or inaction in an official capacity as a Director, officer, employee or agent or in any other capacity while serving as a Director, officer, employee or agent, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the New Jersey Business Corporation Act or any other law, as the same exists or may hereafter be amended (but in the case of any such amendment, only to the extent that such amendment

permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), against all expense, liability and loss (including attorney's fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a Director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that, except as provided in this paragraph (b), the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors of the Corporation. The right to indemnification conferred in this paragraph (b) shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that, if the New Jersey Business Corporation Act requires, the payment of such expenses incurred by a Director or officer in his or her capacity as a Director or officer of the Corporation (and not in any other capacity in which service was or is rendered by such person while a Director or officer, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding, shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such Director or officer, to repay all amounts so advanced unless it shall ultimately be determined that such Director or officer is entitled to be indemnified under this Section or otherwise. The Corporation may, by action of its Board of Directors, provide indemnification to employees and agents of the Corporation with the same scope and effect as the foregoing indemnification of Directors and officers.

(2) **Right of Claimant to Bring Suit.** If a claim under subparagraph (b)(1) is not paid in full by the Corporation within 30 days after a written claim has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or part, the claimant shall be entitled to be paid also the expense (including, without limitation, reasonable attorney fees) of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been rendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the New Jersey Business Corporation Act for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its shareholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because the claimant has met the applicable standard of conduct set forth in the New Jersey Business Corporation Act nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its shareholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

(3) **Non-Exclusivity of Rights.** The right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this paragraph (b) shall not be exclusive of any other right which any person may have or hereafter acquire

under any statute, provision of the Certificate of Incorporation, by-law, agreement, vote of shareholders or disinterested Directors or otherwise.

(4) Insurance. The Corporation may maintain insurance, at its expense, to protect itself and any Director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the New Jersey Business Corporation Act.

ARTICLE X. AMENDMENTS

The Corporation reserves the right to amend and repeal any provision contained in this Certificate of Incorporation in the manner prescribed by the laws of the State of New Jersey. All rights herein conferred are granted subject to this reservation.

Sheet Numbering - Sheet numbers appear in the upper right hand corner of the page. Sheets are numbered sequentially and from time to time new pages may be added to the Tariff. When a new page is added between existing pages, a decimal is added to the preceding page number. For example, a new page added between Sheets 3 and 4 would be numbered 3.1.

Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1.
- 2.1.1.
- 2.1.1.A.
- 2.1.1.A.1.
- 2.1.1.A.1.(a).
- 2.1.1.A.1.(a).I.
- 2.1.1.A.1.(a).I.(i).
- 2.1.1.A.1.(a).I.(i).(1).

Check Sheets - When a Tariff filing is made with the Commission, an updated check sheet accompanies the Tariff filing. The check sheet lists the pages contained in the Tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision, all revisions made in a given filing are designed by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it. The Tariff user should refer to the latest check sheet to find out if a particular page is the most current on file with the Commission.

In addition, the customer shall comply with applicable LEC signal power limitations.
- 2.3.5. The Company may rely on Local Exchange Carriers or other third parties for the performance of other Services such as Local Access. Each of the provisions shall remain at all time in full force and effect until modified in writing.

The Company shall not be liable to the Customer or any other person, firm or entity in any respect whatsoever as a result of mistakes, accidents, errors, omissions, interruptions, delays, or defects in Service (collectively "Defects"). Defects caused by or contributed to, directly or indirectly, by any act or omission of Customer or its customers, affiliates, agents, representatives, invitees, licensees, successors or assigns or which arise from or are caused by the use of facilities or equipment of Customer or related parties shall not result in the imposition of any liability whatsoever upon the Company, and Customer shall pay to the Company any reasonable costs, expenses, damages, fees or penalties incurred by the Company as a result thereof, including penalties incurred by the Company as a result thereof, including costs of Local Access Providers' labor and materials. In addition, all or a portion of the Service may be provided over facilities of third parties, or sold by third parties, and the Company shall not be liable to Customer or any other person, firm or entity in any respect whatsoever arising out of Defects caused by such third parties. IN THE EVENT OF AN INTERRUPTION IN SERVICE OR ANY DEFECT IN THE SERVICE WHATSOEVER, NEITHER COMPANY NOR ANY AFFILIATED OR UNAFFILIATED THIRD PARTY, THIRD PARTY PROVIDER OR OPERATOR OF FACILITIES EMPLOYED IN THE PROVISION OF THE SERVICE SHALL BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, SPECIAL, ACTUAL, PUNITIVE OR ANY OTHER DAMAGES, OR FOR ANY LOST PROFITS OF ANY KIND OR NATURE WHATSOEVER.

2.3.8. With respect to the routing of Calls by the Company to public safety answering points or municipal Emergency Service providers, Company liability, if any, will be limited to the lesser of: (a) the actual monetary damages incurred and proved by the Customer as the direct result of the Company's action, or failure to act, in routing the Call, or (b) the sum of \$1,000.00.

2.3.9. In the event parties other than Customer (e.g., Customer's customers) shall have use of the Service directly or indirectly through Customer, then Customer agrees to forever indemnify and hold Company and any affiliated or unaffiliated third-party, third-party provider or operator of facilities employed in provision of the Service harmless from and against any and all claims, demands, suits, actions, losses, damages, assessments or payments which may be asserted by said parties arising out of or relating to any Defects.

2.3.10 In the event that Company is required to perform a Circuit redesign due to inaccurate information provided by the Customer; or, circumstances in which such costs and expenses are caused by the Customer or reasonably incurred by the Company for the benefit of the Customer, the Customer is responsible for the payment of all such charges.

2.4. Cancellation of Service by a Customer

2.4.1. If a Customer cancels a Service order before the Service begins, before completion of the Minimum Period, or before completion of some other period mutually agreed upon by the Customer and the Company, a charge will be levied upon the Customer for the nonrecoverable portions of expenditures or liabilities incurred expressly on behalf of the Customer by the Company and not fully reimbursed by Installation and monthly charges. If, based on a Service order by a Customer, any construction has either begun or been completed, but no Services provided, the nonrecoverable costs of such construction shall be borne by the Customer.

2.4.2. Upon thirty (30) days' prior written notice, either Customer or Company shall have the right, without cancellation charge or other liability, to cancel the affected portion of the Service, if the Company is prohibited by governmental authority from furnishing said portion, or if any material rate or term contained herein and relevant to the affected Service is substantially changed by order of the highest court of competent jurisdiction to which the matter is appeal, the Federal Communications Commission, or other local, state or federal government authority.

2.5. Cancellation for Cause by the Company

- 2.5.1. Upon nonpayment of any sum owing to the Company, or upon a violation of any of the provisions governing the furnishing of Service under this Tariff, the Company may, upon five business days written notification to the Customer, except in extreme cases, without incurring any liability, immediately discontinue the furnishing of such Service. The written notice may be separate and apart from the regular monthly bill for service. Customer shall be deemed to have canceled Service as of the date of such disconnection and shall be liable for any cancellation charges set forth in this Tariff.
- 2.5.2. Without incurring any liability, the Company may discontinue the furnishing of Service(s) to a Customer upon five business days written notice if the Company deems that such action is necessary to prevent or to protect against fraud or to otherwise protect its personnel, agents, facilities or Services under the following circumstances, except under extreme cases where the customer may be disconnected immediately and without notice:
- 2.5.2.A. if the Customer refuses to furnish information to the Company regarding the Customer's credit-worthiness, its past or current use of common carrier communications Services or its planned use of Service(s);

- 2.5.2.E. in the event of unauthorized use.
- 2.5.2.F. Following the disconnection of service for any of these reasons, the Company or the local exchange utility acting as Company agent, will notify the telephone user/customer that service was disconnected and why. The notice will include all reasons for the disconnection and will include a toll-free number where an end user/customer can obtain additional information. Notice shall be deemed given upon deposit, postage prepaid, in the U.S. Mail to the end user's/customer's last known address and in compliance with the Commission's rules.

- 2.5.3. The discontinuance of Service(s) by the Company pursuant to this Section does not relieve the Customer of any obligations to pay the company for charges due and owing for Service(s) furnished up to the time of discontinuance. The remedies set forth herein shall not be exclusive and the Company shall at all times be entitled to all rights available to it under either law or equity.
- 2.6. Credit Allowance
- 2.6.1. Credit allowance for the interruption of Service is subject to the general liability provisions set forth in this Tariff. Customers shall receive no credit allowance for the interruption of service which is due to the Company's testing or adjusting, negligence of the Customer, or to the failure of channels or equipment provided by the Customer. The Customer should notify the Company when the Customer is aware of any interruption in Service for which a credit allowance is desired. Before giving such notice, the Customer shall ascertain that the trouble is not being caused by any action or omission within Customer's control, or is not in wiring or equipment, if any, furnished by the Customer in connection with the Company's Services.
- 2.6.2. No credit is allowed in the event service must be interrupted in order to provide routine service quality or related investigations.
- 2.6.3. No credit shall be allowed:

- 2.6.4. Credit for an interruption shall commence after Customer notifies Company of the interruption and ceases when services have been restored.
- 2.6.5. Credits are applicable only to that portion of Service interrupted.
- 2.6.6. For purposes of credit computation, every month shall be considered to have 720 hours.
- 2.6.7. No credit shall be allowed for an interruption of a continuous duration of less than two hours.
- 2.6.8. The Customer shall be credited for an interruption of two hours or more at a rate of 1/720th of the monthly recurring charge for the service affected for each hour or major fraction thereof that the interruption continues. Calculations of the credit shall be made in accordance with the following formula.

Credit Formula:

$$\text{Credit} = \frac{A}{720} \times B$$

"A" = outage time in hours

"B" = total monthly charge for affected facility

2.7. Use of Service

- 2.7.1 The Services offered herein may be used for any lawful purpose, including residential, business, governmental, or other use. There are no restrictions on sharing or resale of Services. However, the Customer remains liable for all obligations under this Tariff notwithstanding such sharing or resale and regardless of the Company's knowledge of same. The Company shall have no liability to any person or entity other than the Customer and only as set forth in Section 2.3. The Customer shall not use nor permit others to use the Service in a manner that could interfere with Services provided to others or that could harm the facilities of the Company or others.
- 2.7.2. Service furnished by the Company may be arranged for joint use or authorized use. The joint user or Authorized User shall be permitted to use such Service in the same manner as the Customer, but subject to the following:
- 2.7.2.A. One joint user or Authorized User must be designated as the Customer.
- 2.7.2.B. All charges for the Service will be computed as if the Service were to be billed to one Customer. In the event that the designated Customer fails to pay the Company, each joint user or Authorized User shall be liable to the Company for all charges incurred as a result of its use of the Company's Service.
- 2.7.3. In addition to the other provisions in this Tariff, Customers reselling company Services shall be responsible for all interaction and interface with their own subscribers or customers. The provision of the Service will not create a partnership or joint venture between Company and Customer nor result in a joint communications Service offering to the Customers of either the Company or the Customer.
- 2.7.4. Service furnished by the Company shall not be used for any unlawful or fraudulent purposes.
- 2.7.5. The Customer will be billed directly by the LEC for certain Dedicated Access arrangements selected by the Customer for the provisioning of direct access arrangements. 2.8. Payment Arrangements

- 2.8.1. The Customer is responsible for payment of all charges for Services furnished to the Customer or its joint or Authorized Users. This responsibility is not changed due to any use, misuse, or abuse of the Customer's Service or Customer provided equipment by third parties, the Customer's employees, or the public.
- 2.8.2. *The Company's bills are due upon receipt. Amounts not paid within 30 days from the Bill Date of the invoice will be considered past due. Customers will be assessed a late fee on past due amounts in the amount not to exceed the maximum lawful rate under applicable state law. If a Customer presents an undue risk of nonpayment at any time, the Company may require that Customer to pay its bills within a specified number of days and to make such payments in cash or the equivalent of cash.*
- 2.8.3. In determining whether a Customer presents an undue risk of nonpayment, the Company shall consider the following factors: (A) the Customer's payment history (if any) with the Company and its affiliates, (B) Customer's ability to demonstrate adequate ability to pay for the Service, (C) credit and related information provided by Customer, lawfully obtained from third parties or publicly available, and (D) information relating to Customer's management, owners and affiliates (if any).
- 2.8.4. Disputes with respect to charges must be presented to the Company in writing within thirty days from the date the invoice is rendered or such invoice will be deemed to be correct and binding on the Customer.
- 2.8.5. If a LEC has established or establishes a Special Access surcharge, the Company will bill the surcharge beginning on the effective date of such surcharge for Special Access arrangements presently in Service. The Company will cease billing the Special Access surcharge upon receipt of an Exemption Certificate or if the surcharge is removed by the LEC.
- 2.8.6. In the event the Company incurs fees or expenses, including attorney's fees, in collecting, or attempting to collect, any charges owed the Company, the Customer will be liable to the Company for the payment of all such fees and expenses reasonably incurred.
- 2.8.7. Company will not require deposits or advance payments by Customers for Services.

2.9. Assignment

- 2.9.1. The obligations set forth in this Tariff shall be binding upon and inure to the benefit of the parties hereto and their respective successors or assigns, provided, however, the Customer shall not assign or transfer its rights or obligations without the prior written consent of the Company.

2.10. Taxes

- 2.10.1 All state and local taxes (i.e., gross receipts tax, sales tax, municipal utilities tax) are listed as separate line items and are not included in the quoted rates.

Such billing shall allocate the tax, fee or charge among end users uniformly on the basis of each end user's monthly charges for the types of service made subject to such tax, fee or charge.
- 2.10.3 If at any future time a county or other local taxing authority acquires the legal right to impose an occupation tax, license tax, permit fee, franchise fee or other similar charge upon the Carrier, and imposes the same by ordinance or otherwise, such taxes, fees or charges shall be billed to the end users receiving service within the territorial limits of such county or other taxing authority. Such billing shall allocate the tax, fee or charge among end users uniformly on the basis of each end user's monthly charges for the types of service made subject to such tax, fee or charge.
- 2.10.4 When utility or telecommunications assessments, franchise fees, or privilege, license, occupational, excise, or other similar taxes or fees, based on interstate or intrastate receipts are imposed by certain taxing jurisdictions upon the Company or upon local exchange companies and passed on to the Company through or with interstate or intrastate access charges, the amounts of such taxes or fees will be billed to Customers in such a taxing jurisdiction on a prorated basis. The amount of charge that is prorated to each Customer's bill is determined by the interstate or intrastate telecommunications service provided to and billed to an end user/customer service location in such a taxing jurisdiction with the aggregate of such charges equal to the amount of the tax or fee imposed upon or passed on to the Company.

2.11. Method for Calculation of Airline Mileage

- 2.11.1 The airline mileage between two cities can be calculated using the Vertical (V) and Horizontal (H) coordinates of the serving wire centers associated with the Company's POP locations. The method for calculating the airline mileage is obtained by reference to AT&T's Tariff F.C.C. No. 10 in accordance with the following formula:

the square root of:
$$\frac{(V1-V2)^2 + (H1-H2)^2}{10}$$

where V1 and H1 correspond to the V&H coordinates of City 1 and V2 and H2 correspond to the V&H coordinates of City 2.
