TO WHOM IT MAY CONCERN:

On Public Meeting held June 18, 1998, the Commission approved your Application for a Certificate of Public Convenience to provide Reseller service in Pennsylvania.

Our Order required you to file with the Commission's Tariff Section of the Bureau of Fixed Utility Services a tariff containing your utility's rates, rules and regulations. This requirement was pursuant to 66 Pa. C.S. § 1302 of the Public Utility Code.

To date, the Commission has not received the initial filing for your utility.

Please file two copies of your initial tariff within 30 days. Failure to file the required tariff will result in the dismissal of your application to provide telecommunication services in Pennsylvania. Dismissal of the application would revoke your provisional authority to provide telecommunication service in the Commonwealth.

If you have any questions or need assistance with the filing of the Initial Tariff, please contact Kerry Klinefelter at (717) 787-2029.

Very truly yours,

Donald H. Muth, Director
Bureau of Fixed Utility Services
