DOCUMENT
FOLDER

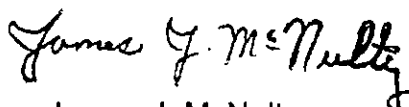

Dear Mr. Cribbs:

We are in receipt of your letter, dated September 28, 2006, advising that Velocity.Net Communications Inc (Velocity.Net) wishes to amend its telecommunications Application originally filed with this Commission on April 13, 2006. That Application requested approval to provide Competitive Access Provider Services, docketed at A-311409, Data-only CLEC Services in the service territories of Verizon Pennsylvania, Inc, (Verizon PA) docketed at A-311409F0002, and Alltel Pennsylvania, Inc, now known as Windstream Pennsylvania, Inc, (Windstream) docketed at A-311409F0002AMA.

In the amended Application, Velocity.Net is requesting to withdraw the Application for approval to provide Data-only CLEC services into Windstream's service territory. You are hereby notified that the Commission approves the withdrawal of the Application of Velocity.Net to provide Data-only CLEC services into Windstream's service territory, at docket number A-311409F0002AMA. This docket has been marked closed in our files. No further action is required.

The Application of Velocity.Net for approval to provide Competitive Access Provider Services docketed at A-311409, and to provide Data-only CLEC services in the Verizon PA service territory at Docket Number A-311409F0002, will remain active.

Sincerely,

James J. McNulty
Secretary
