Re: Application of DSCI Corporation for approval to offer, render, furnish or supply telecommunication services as a Reseller of Interexchange Toll Services to the Public in the Commonwealth of Pennsylvania

Application of DSCI Corporation for approval to offer, render, furnish or supply telecommunication services as a Competitive Local Exchange Carrier to the Public in the service area of Verizon Pennsylvania, Inc. in the Commonwealth of Pennsylvania

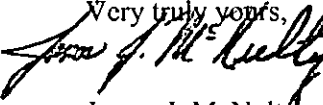

Dear Mr. Marashlian:

On November 15, 2004, DSCI Corporation (Company) filed the above-referenced applications which were approved by the Pennsylvania Public Utility Commission (Commission) at Public Meeting held August 25, 2005. As a contingency for receiving Certificates of Public Convenience, the Commission ordered the Company to file its initial Interexchange Reseller Toll Tariff and initial Competitive Local Exchange Carrier Tariff within sixty (60) days.

As of this date, the Commission has not received the Company's initial tariffs which are necessary to implement these services. The Commission also has no record of the Company contacting Staff regarding this matter.

Please provide an initial Interexchange Reseller Toll Tariff and an initial Competitive Local Exchange Carrier Tariff within thirty (30) days from the date of this letter. If this tariff is not received within the specified time period, the provisional authority granted in the Secretarial Letter of December 10, 2004, will be rescinded. If the Company has decided against entering the market in Pennsylvania, please take the steps necessary to cancel this application.

If you have any questions concerning this matter, contact J. Elaine McDonald at 717-787-1869.

Very truly yours,

James J. McNulty
Secretary
