**PETITION TO INTERVENE OF
NEXTERA ENERGY POWER MARKETING, LLC**

NOW COMES NextEra Energy Power Marketing, LLC, (“NextEra”) by and through its counsel, Hawke McKeon & Sniscak, LLP, and respectfully petitions to intervene in the above-captioned proceedings. In support thereof, NextEra states and avers as follows:

1. NextEra is an affiliate of NextEra Energy Resources, LLC (“NEER”), a company that owns and operates over 19,000 megawatts of electric generating capacity in 25 states. NEER is the country’s largest generator of wind and solar energy, and within the Commonwealth of Pennsylvania (“Commonwealth”) owns and operates nearly 130 megawatts (“MW”) of wind generation and approximately 800 MW of natural gas generation.

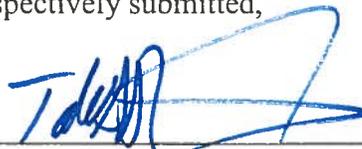

2. NextEra is an active wholesale supplier of electricity products in the Commonwealth. NextEra has an interest in how and when Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company, and West Penn Power Company meet their default service requirements. As an active wholesale supplier of electricity products, NextEra has a substantial and unique interest in this proceeding that cannot adequately be represented by any other party, and NextEra will be bound by any decision rendered by the Pennsylvania Public Utility Commission in this matter. Accordingly, NextEra's participation in this proceeding meets the standard for intervention set forth in the Commission's Regulations at 52 Pa. Code §§ 5.71, et seq.

3. Representing the NextEra in this proceeding is the following counsel:
