**PUBLIC STATEMENT
OF THE SMALL BUSINESS ADVOCATE**

The Small Business Advocate is authorized and directed to represent the interests of small business consumers of utility services in Pennsylvania under the provisions of the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50 (“Act”). The Act further provides that the Small Business Advocate is to issue publicly a written statement setting forth concisely the specific interest of small business consumers to be protected by his initiation of or intervention in any proceeding involving those interests before the Pennsylvania Public Utility Commission (“Commission”) or any other agency or court. This public statement relates to the Small Business Advocate’s intervention in the above-captioned Commission proceeding.

On November 30, 2015 PECO Energy Company (“PECO” or “Company”) filed a Petition for Approval of its Act 129 Phase III Energy and Conservation Plan (“Phase III Plan”). The cost of the Phase III Plan over five years is projected to be approximately \$427.4 million. It is designed to reduce annual consumption by 2,100,875 MWh and reduce demand by 171 MWh by May 31, 2021.

The Small Business Advocate is intervening in the above-captioned proceeding in order to protect the interests of the Company’s small business customers. A thorough

inquiry by the Commission into all of the elements of the Company's petition is necessary to ensure that the Company's proposed Phase III Plan is in accord with Act 129 of the Public Utility Code, all other applicable statutes, and Commission regulations and orders.

In view of the foregoing, the Small Business Advocate is requesting that the petition be subject to investigation and evidentiary hearings before the Commission. The Small Business Advocate will ask the Commission to deny or modify any aspect of the Company's proposed Phase III Plan that is not proven by the Company to be in accord with the Public Utility Code and would result in rates that are not just and reasonable.
