To whom it may concern,

I appreciate your giving the people of PA the opportunity to speak to the issue of a new area code in the 717 area.

I believe it would serve our area best to have a totally new area code in a specific geographic area. I see all the existing numbers in that specific area changing to the new A.C. Plus any new numbers in that new A.C. would also have that new A.C. I feel that if there is an overlay it may cause confusion. Having a new area code in a specific geographic area will eliminate this. It may be a hardship to some for a period of time. But in the long run it will be best. Thank you for your work in making an informed decision.

Sincerely, Marv Lapp
