Re: Petition of PECO Energy Company for Approval of its Act 129 Phase III Energy Efficiency and Conservation Plan, Docket No. M-2015-2515691

Dear Secretary Chiavetta:

Pursuant to the Commission's March 17, 2016 Order in the above-referenced docket, enclosed for filing and Commission approval is **PECO Energy Company's Revised Phase III Energy Efficiency and Conservation Plan Compliance Filing** (the "Revised Plan"). The Revised Plan is provided in both clean and redline format, with the redline document showing the changes made in response to the Commission's directives in the Order. A copy of the Revised Plan is being served on the parties of record and in the manner indicated on the attached Certificate of Service. Please note that PECO will, in addition, be submitting a compliance tariff in mid-April containing pricing based on updated costs in order to comply with the terms of the June 19, 2015 Energy Efficiency and Conservation Program Implementation Order.

PECO is requesting that the Commission review the Revised Plan on an expedited basis in light of the June 1, 2016 commencement of Phase III. If you have any questions regarding this filing, please do not hesitate to contact me at 215-841-4608.

Very truly yours,

Jack R. Garfinkle
