Harrisburg, PA 17105-3265**Re: Metropolitan Edison Company – General Base Rate Filing**
Docket No. R-2016-2537349

Dear Secretary Chiavetta:

INTRODUCTION AND CONTENTS OF THE FILING

Pursuant to Section 1308 of the Pennsylvania Public Utility Code, 66 Pa.C.S. § 1308, enclosed for filing on behalf of Metropolitan Edison Company (“Met-Ed” or the “Company”) is Supplement No. 23 to Met-Ed’s Tariff Electric – Pa. P.U.C. No. 52 (“Supplement No. 23”), which has been marked for identification as Met-Ed Company Exhibit 1. Supplement No. 23 sets forth proposed rates designed to produce an increase in the Company’s annual distribution revenue of \$140.2 million based on data for a fully projected future test year ending December 31, 2017. Supplement No. 23 also contains non-substantive revisions to the language of certain Rules and Regulations, rate schedules and riders in the Company’s currently effective tariff, as summarized in Met-Ed Exhibit KMS-7. Supplement No. 23 bears an issue date of April 28, 2016, and an effective date of June 27, 2016.

Along with Supplement No. 23, the Company is filing all the supporting data required by the Pennsylvania Public Utility Commission’s (“PUC” or “Commission”) regulations at 52 Pa. Code §§ 53.52 – 53.53, including the written direct testimony of nine witnesses, who are identified in Met-Ed Exhibit CVF-2. A summary of the reasons for the proposed rate increase is set forth in the Company’s Statement of Reasons, which is marked for identification as Met-Ed Exhibit CVF-1.

The Company is filing one complete hard copy and one electronic copy, on the enclosed CD, of its entire filing. An index cross-referencing the contents of the Company’s supporting data and the Commission’s filing requirements is attached as Appendix A to this transmittal letter.

USE OF ALTERNATIVE METHOD OF CUSTOMER NOTIFICATION

Met-Ed hereby advises the Commission that it has elected to use the alternative method of customer notification set forth in the Commission's regulations at 52 Pa. Code § 53.45(b)(4). Consequently, as required by that regulation, Met-Ed will notify its customers of the proposed rate increase through bill inserts along with paid advertisements in major local newspapers.¹ Met-Ed also agrees to extend from 60 to 90 days the minimum period within which the filing of a complaint places the burden of proof upon the Company with respect to proposed rates, pursuant to 52 Pa. Code § 53.45(b)(4)(vi).

REQUEST FOR CONFIDENTIAL TREATMENT OF PROPRIETARY INFORMATION

Met-Ed Exhibits RAD-7 and RAD-40 contain information that Met-Ed considers to be proprietary and confidential. These pages have been marked *Highly Confidential*, are enclosed in separate envelopes and have not been included in the electronic version of the filing.

Met-Ed requests that the copies of the material that have been marked *Highly Confidential* and are contained in the envelopes similarly marked *Highly Confidential* be treated confidentially by the Commission, including its various Offices and Bureaus. In particular, the Company requests that the *Highly Confidential* material be excluded from the Commission's public document folder and not otherwise be disclosed to the public. Met-Ed intends to request the entry of an appropriate Protective Order from the presiding Administrative Law Judge(s) to maintain the confidentiality of such material if it is to be provided to parties in this case.

REQUEST FOR CONSOLIDATION

This filing is being made contemporaneously with general rate increase filings by Met-Ed's Pennsylvania affiliates at the docket numbers identified below:

Pennsylvania Electric Company ("Penelec")	R-2016-2537352
Pennsylvania Power Company ("Penn Power")	R-2016-2537355
West Penn Power Company ("West Penn")	R-2016-2537359

Pursuant to 52 Pa. Code § 5.81, Met-Ed, by this transmittal letter, and Penelec, Penn Power and West Penn, in their respective transmittal letters, request that proceedings initiated with regard to their rate filings be formally consolidated by the Commission at the earliest possible opportunity. There is a fundamental commonality to virtually all of the components of the Companies' revenue requirements, rate designs and related issues. Consequently, proceedings initiated by the Commission will involve a substantial number of common questions of law and fact. The resources of the Commission and all parties would be used most efficiently

¹ In addition, Met-Ed is posting notice of this filing at its Company headquarters pursuant to 52 Pa. Code § 53.45(b)(1), posting the filing to its website, and issuing a news release describing the proposed changes to local newspapers, radio and television stations pursuant to 52 Pa. Code § 53.45(b)(2).
