RE: Uber Fined \$11M

Dear Ms. Brown -

What a joke!

Fining Uber when realistically (and not politically) the fine should be against the Philadelphia Parking Authority for doing everything possible to degrade Uber and Lyft from creating an opportunity for a transportation supplier at a realistic cost in Philadelphia - rather than the P.A.'s efforts to eliminate honest competition for POLITICAL REAONS.

This is still the United States of America - and the RIGHT TO CHOOSE.

Regards,

Frank Binswanger
