Dear Ms. Wiedt:

Metropolitan Edison Company, Pennsylvania Power Company, Pennsylvania Electric Company and West Penn Power Company ("FirstEnergy Companies") are in receipt of your two letters dated June 2, 2016, concerning the FirstEnergy Companies' two contracts with Sodexo Operations LLC ("Sodexo").

On April 20, 2016, the FirstEnergy Companies submitted their contracts with Sodexo to the Pennsylvania Public Utility Commission ("Commission") for approval pursuant to the Commission's Implementation Order of June 19, 2015, at Docket No. M-2014-2424864. The two contracts are referenced by Purchase Order number, above.

Your letters of June 2, 2016, request that the FirstEnergy Companies remove a specific clause from their contracts with Sodexo. The specific clause is found at pages 8 to 9 of the Program Management and Marketing contract (Purchase Order 55121998). The specific clause is quoted as follows:

*Industry Conference Attendance:*

*Sodexo will attend industry energy efficiency user group conferences annually, where there is participation by customers, program allies, and any other market participants, that are important to the Companies' Energy Efficiency and Conservation programs. To that end, Sodexo will offer once per calendar year the following to the Companies at no charge to participate in annual user group conferences: (a) complimentary registration for up to three (3) FirstEnergy employees (Program*

*Implementation Managers or comparable functions). (b) complimentary hotel accommodations for sponsored attendees, and (c) reasonable travel costs for sponsored attendees. Example: AESP Regional or National Meeting.*

By this letter the FirstEnergy Companies hereby confirm that the specific clause, quoted above, has been removed from the Sodexo contract in its entirety. The FirstEnergy Companies have executed a Change to Purchase Order with Sodexo modifying the contract at Purchase Order 55121998 (Program Management and Marketing) and removing the specific clause. The Change Order was executed June 2, 2016.

As confirmation that the specific clause has been removed the FirstEnergy Companies attach to this letter a copy of Change Order amending the contract at Purchase Order 55121998 (Program Management and Marketing) and removing the specific clause quoted above.

The Sodexo contract at Purchase Order 55121999 (Program Incentives) does not contain a clause relating to Industry Conference Attendance and, therefore, a change is not indicated to comply with the request.

The FirstEnergy Companies provide this response to your letters of June 2, 2016, in Order to confirm that the Sodexo contracts are acceptable to the Commission and that the contracts may now be implemented immediately to commence with Phase III of the Companies' EE&C Plans.

Four copies of this letter and the Change Order are provided so that a copy may be filed at each of the FirstEnergy Companies' four dockets.

Please call me at your earliest convenience should you want additional information.

Respectfully submitted,

John L. Munsch
