**Re: Correction to Pennsylvania Electric Company Electric Pa. P.U.C. No. 81,
Supplement No. 37 – Changes the Language to the Rate Schedule GS –
Medium, Docket No. R-2016-2537352**

Dear Secretary Chiavetta:

Transmitted herewith for filing with the Pennsylvania Public Utility Commission is a copy of Supplement No. 37 to Pennsylvania Electric Company (“Penelec”) Tariff Electric Pa. P.U.C. No. 81, which bears an issue date of March 23, 2017 and is proposed to be effective March 24, 2017.

Penelec hereby requests a waiver of the regulations at 52 Pa. Code § 53.31 pertaining to the Commission’s requirement to provide sixty days’ notice of revised rates, such that the enclosed tariff supplement may become effective on one day’s notice on the basis that this filing simply constitutes a correction to Penelec’s original compliance filing following its recent base rate proceeding at the above-referenced docket number. Specifically, page 69 of Penelec’s tariff under Rate Schedule General Services-Medium as agreed to in the General Base Rate filing should have stated if an existing Customer’s total consumption is less than 1,500 kWh per month for twelve (12) consecutive months, the Customer may no longer be eligible for service under this Rate Schedule GS-Medium. However, as a result of a typo, Penelec inadvertently changed the language in the Joint Petition for Partial Settlement filed on October 14, 2016 and its compliance filing under Supplement No. 35 to Pennsylvania Electric Company Tariff Electric Pa.P.U.C. No. 81 to the following: If an existing Customer’s total consumption is less than 1,500 kWh per month for two (2) consecutive months in the most recent twelve-month period, the Customer may no longer be eligible for service under this Rate Schedule GS-Medium.

With this filing, Rate Schedule General Services - Medium will correct the language to that agreed to by the parties to Penelec’s General Base Rate filing.

If you have any questions regarding the enclosed documents, please contact me at (610)-921-6525.

Sincerely,

Charles V. Fullem
Director of Rates & Regulatory Affairs-PA
