Application of Transource Pennsylvania, LLC

Filed Pursuant to 52 Pa. Code Chapter 57, Supchapter G

For Approval of the Siting and Construction of the 230 kV Transmission Line

Associated with the Independence Energy Connection-West Project in Portions of Franklin County

Docket No. A-2017-2640200

PROTEST

Pursuant to 52 Pa. Code Sections 5.51, *et seq.* and 66 Pa. C. S. Sections 1101, *et. seq.*, Heather Stine files this Protest to the Independence Energy Connection-West. In support of this Protest, Heather Stine avers as follows:

1. The name and contact information of the Protestant is as follows:

Heather Stine, 867 Cider Press Road, Chambersburg, PA 17202

2. I have lived all my life in this area and have a very strong connection to our land, and am very much against a large company coming in from outside our area and proposing to build this line that will destroy the beauty of our landscape. I am very concerned about my father and my neighbors in the right of way having to sell their land, as we cannot afford the eminent domain lawyers. It just doesn't seem fair! This project will not be of benefit to anyone in our area, and I feel that we are being taken advantage of.

3. I am very concerned with the health effects of this power line on the Falling Spring Elementary School, which I attended and now work as a substitute teacher with PA Certification. The medical effects of the high voltage power lines are of great concern to me.

4. My father is a property owner with whom I reside, and his property value would go down drastically if this power line was built.

WHEREFORE, Heather Stine respectfully requests that the Pennsylvania Public Utility Commission not approve this power line, and that the Pennsylvania Public Utility Commission will hold full hearings regarding the filing.

Respectfully submitted,

[Signature of Protestant]
